Experience

Corporate Finance Intern

June 2023 - Sept 2023

Confluent Medical Technologies

- Utilized Excel for aggregating, cleaning, and visualizing data. Leveraged functions and pivot tables to analyze the data. Presented findings and proposed actionable measures for enhanced efficiency and reduced costs.
- Recognized an 80% reduction in a recurring operational cost, resulting in annual savings exceeding \$12,400. Additionally, identified outstanding vendor credits amounting to over \$6,000.
- Modeled 5-year long-range planning of manufacturing sites, enhancing cash flow forecasting accuracy and enabling data-driven strategic growth decisions.
- Developed five comprehensive user training guides for Epicor to facilitate efficient future staff training, ensuring seamless onboarding and proficient system utilization.
- Documented detailed meeting minutes of deliberations on growth projections and site changes.

Vice President Operations

May 2024 - April 2025

Sigma Eta Pi Entrepreneurship Fraternity

- Directed the planning and execution of chapter events, ensuring smooth operations and coordination with various committees. Responsible for event spaces, member attendance, and policy compliance.
- Oversaw three chair positions, providing guidance and support to ensure effective execution of responsibilities and alignment with chapter initiatives. Ensure projects meet deadlines through effective timeline management.
- Led alumni communication outreach, fostered relationships with chapter founders, and organized alumni events. Maintained databases of active members and alumni.

Lot Attendant

Nov 2022 - June 2023

City of Santa Barbara, Downtown Parking | Santa Barbara, CA

- Managed transactions, resolved customer issues, and provided accurate data entry support
